

# Guardian Playground Mulch

*Play Hard • Fall Safer*

**Guardian** and its **Exclusive Dealers** take pride in each playground that is installed using its engineered wood playground mulch. From large commercial projects to residential playgrounds, we are here to help and guide you with quick detailed estimates and complete installation/delivery service. Our playground mulch is made from the **finest organic, virgin wood** available, and is carefully monitored to ensure complete customer satisfaction and safety.

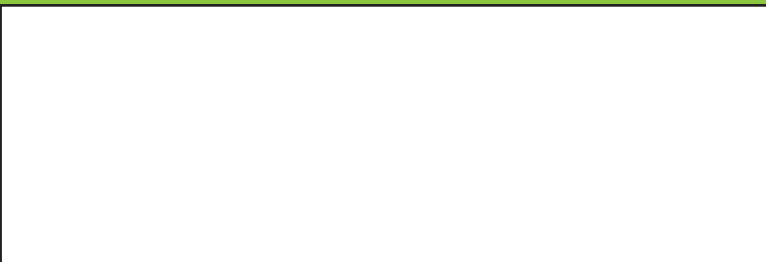

Unlike other mulch companies that only offer multi mulch yard service, **Guardian** offers its playground mulches in bulk, but also in convenient, easily shipped, **4 yard Super Sack bags** and **2 cubic. ft bags**. These convenient options will allow you to save time and money, no matter if you are installing a new playground or just refreshing an existing one.

**Guardian** also manufactures, **Playground Borders, Weed Control Fabrics, Tie Guard and Play Mats**. Each of Guardian's products can easily be matched and shipped, to once again save you time and money. So for all of your playground safety needs, let Guardian be your playgrounds **one stop-shop source**.

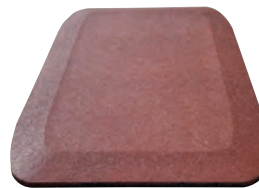

$L' \times W' \times D'' = N$   
N Divided by 324 = cubic yards  
required for your project.
